

ROTARY CODE OF POLICIES

Youth Protection and Youth Travel Policy Excerpts Containing Board Decisions through July 2017

This document is provided as a reference regarding youth protection and travel by youth involved in Rotary programs. Please refer to the most current version of the [Rotary Code of Policies](#) for additional information about these important topics. Changes made by the Rotary International Board of Directors to the Rotary Code of Policies override policy as stated in this reference document.

2.130.1. STATEMENT OF CONDUCT FOR WORKING WITH YOUTH

Rotary International strives to create and maintain a safe environment for all youth who participate in Rotary activities. To the best of their ability, Rotarians, Rotarians' spouse, and partners, and other volunteers must safeguard the children and young people they come into contact with and protect them from physical, sexual, and emotional abuse.

2.130.2. FAILURE TO COMPLY WITH YOUTH PROTECTION LAWS

Upon obtaining information that a club has failed to address an allegation against a member in connection with a Rotary-related youth program for violating applicable law regarding the protection of youth, the board may suspend or terminate the membership of the club in accordance with RI Bylaws section 3.030.5.

2.130.3. SEXUAL ABUSE AND HARASSMENT PREVENTION

All Rotarians, clubs and districts should follow the statement of conduct for working with youth and RI guidelines for abuse and harassment prevention established by the general secretary. The guidelines include the following requirements:

1. RI has a zero-tolerance policy against abuse and harassment.
2. An independent and thorough investigation must be made into any claims of sexual abuse or harassment.
3. Any adult involved in a Rotary youth program against whom an allegation of sexual abuse or harassment is made must be removed from all contact with youth until the matter is resolved.
4. Any allegation of abuse must be immediately reported to the appropriate law enforcement agency, in accordance with RI's zero-tolerance policy.

5. All allegations of abuse or harassment shall be reported by the district to RI within 72 hours of the time a district officer learns of the incident. Districts must identify a person within the district who will be responsible for reporting to RI.
6. A club must terminate the membership of any Rotarian who admits to, is convicted of or is otherwise found to have engaged in sexual abuse or harassment. A non-Rotarian who admits to, is convicted of, or is otherwise found to have engaged in sexual abuse or harassment must be prohibited from working with youth in a Rotary context. A club may not grant membership to a person who is known to have engaged in sexual abuse or harassment. (Upon obtaining information that a club has knowingly failed to terminate the membership of such a Rotarian, the RI Board will take steps to have the Rotarian's membership terminated, including action to terminate the club's charter for failure to comply).
7. If an investigation into a claim of sexual abuse or harassment is inconclusive, then, for the safety of youth participants and the protection of the accused, additional safeguards must be put in place to assure the protection of any youth with whom the individual may have future contact. If there are subsequent claims of sexual abuse or harassment, the adult shall be permanently prohibited from working with youth in a Rotary context. Regardless of criminal or civil guilt, the continued presence of the adult could be detrimental to the reputation of the organization and could be harmful to youth. It can also benefit the adult in preventing additional accusations from other youth. A person who is accused but later cleared of charges, may apply to be reinstated to participate in youth programs. Reinstatement is not a right, and no guarantee is made that he or she will be reinstated to his or her former position.

2.130.4. TRAVEL AND OVERNIGHT STAYS BY YOUTH

Recognizing that Rotary clubs and districts are encouraged to undertake activities that develop youth club and district programs or activities that involve minors undertaking travel outside their local community, or that include overnight stays, must develop, maintain, and comply with youth protection policies and written procedures. With the exception of travel and tours operated by or on behalf of host districts, Youth Exchange travel is subject to the policies outlined in Rotary Code of Policies 41.070.13.

The governor has the responsibility for the supervision and control of all programs and activities organized within the district that involve minors traveling outside their local community or involve overnight stays.

Clubs and districts:

1. shall obtain written permission from the parents or guardians of all youth participants for travel outside the local community or involve overnight stays in advance;
2. shall provide parents or legal guardians with specific details about the program, location of event, travel itineraries, sleeping accommodations, and contact information for program organizers before departure;
3. should, when traveling 150 miles away from home residence or out of home country, require the parents or legal guardians of each minor to provide travel insurance for the minor, which

includes such coverages as medical (when traveling outside home country), emergency medical evacuation, repatriation of remains, and legal liability, in amounts satisfactory to the club or district organizing the activity or event, with coverage from the time of the minor's departure from home until the return home.

Club and district policies and procedures should include:

1. volunteer application and screening procedures;
2. outlines of volunteer job descriptions and responsibilities;
3. supervision standards for ratio of adults to minors
4. crisis management plan including:
 - a. handling medical and other emergencies and providing for adult support;
 - b. procedures for communicating with parents and legal guardians;
5. written guidelines for reporting and follow-through on allegations or incidents consistent with RI policy.

41.010.22 TRAVEL INSURANCE FOR INTERACTORS

Clubs and districts inviting members of Interact clubs to participate in the programs or activities of such clubs or districts outside of their local community should, when Interactors are traveling 150 miles away from home residence or out of the home country, require the parents or legal guardians of each Interactor to provide travel insurance for the Interactor, which includes such coverages as medical (when traveling outside home country), emergency medical evacuation, repatriation of remains, and legal liability, in amounts satisfactory to the club or district organizing the event, with coverage from the time of the Interactors departure from home until the return home.

41.070.13 TRAVEL BY YOUTH EXCHANGE STUDENTS

Youth Exchange students may undertake approved travel with host parents or for Rotary club or district events. The host district shall obtain written permission from the parents or guardians of students for travel outside their local community as defined by the host district in advance.

For all other travel, host districts must ensure that parents or legal guardians are provided with specific details about the program, location, travel itineraries, sleeping accommodations, and contact information. Tours and travel operated by or on behalf of host districts are subject to the Rotary Code of Policies section 2.130.4.

41.070.5 INTERNATIONAL TRAVEL BY YOUTH

No individual Rotarian, club, or district shall undertake an alternative program structure to send minors abroad that circumvents RI youth protection policies, the foregoing Youth Exchange policy, or the immigration and travel policies of any nation or government.

No individual Rotarian, club, or district shall assist or cooperate in sending a young person abroad on an international travel activity unless careful plans are made in advance covering every aspect of the proposed trip, including approval from the district youth protection officer and district

Youth Exchange chair. In districts without a youth protection officer, the district governor and the district Youth Exchange committee chair must approve the arrangements.

No club should provide an identification card, letter of introduction, request for assistance or other credential or document intended to identify or introduce a young person to a club or clubs in another country, unless complete mutual agreement has been reached in advance with respect to the hospitality or assistance to be provided by the host club.

No club is obliged to provide hospitality or assistance to any young person from another country, despite any documented or claimed sponsorship of a Rotary club, unless the host club has specifically agreed in advance to provide such hospitality or assistance.
