Preliminary Youth Exchange STEP Application

Students are sponsored by a local Rotary Club to participate in the Rotary Youth Exchange (RYE) Short Term Exchange Program (STEP) . Participants of D5180's STEP are expected to be "Student Ambassadors" representing Rotary and the USA. Each student and parent/guardian will be asked to sign an agreement to honor the requirements of the program.

This Preliminary Application allows applicants to provide personal information and indicate by rank the three countries they would like to visit. The District RYE Committee will try to place students in one of their requested countries, but may not be able to do so because of various reasons limiting our country selection. Students who participate in the RYE-STEP program must be willing to travel on exchange regardless of whether or not their assigned country is one of their top three choices. It's about the exchange experience and not just the country.
